PROFILE

I am currently looking for a challenging job where I can further hone my abilities and knowledge in Web development. I'm excited to offer my passion for developing original ideas, solid technical proficiency, and commitment to producing top-notch outcomes to help the company I join succeed.

EXPERIENCE

Freelancer

Fiverr

I have done multiple projects for my clients worldwide regarding Woocommerce and E-book app development. User Friendly & Fully Responsive.

Accountant

Private Company / Haroonabad

I have worked as an accountant for 5 years, where I managed financial records, prepared statements, and ensured compliance. Proficient in accounting software, I collaborated with teams to analyze data, identify trends, and contributed to budgeting. My attention to detail and analytical skills were crucial for accurate financial reporting.
